## Personal Questionnaire

Why do you want to do an Internship with Excel?

If you are a Christian, when and how did you receive salvation?

What do you currently intend to do after your Internship with Excel?

Describe your personality

What are your strengths?

What are your weaknesses?

In which areas of your life do you still want to grow?

## The Next Step

1. Email the application form to [info@etta.co.za](mailto:info@etta.co.za) together with the students certified Grade 12 certificate and copy of Identity Card or Phone us for an appointment and bring your application with to the interview (012-3451181)
2. On receiving your application, we will phone you and arrange an interview date. Parents can come with to the interview to receive more detailed information on the course. We will do a telephonic interview for applicants that live far from Pretoria.

### The interview (Selection Requirements)

- Doing an Internship with Excel must be the student's own choice
  - Students with disabilities will be considered on the merit of being able to participate in most of the activities - contact us
  - If selected, you will receive an acceptance document and student number via email.
3. When the student's application is accepted we will send you the contract to be signed by Excel and yourself whereafter you can enrol in the student online at [www.etta.co.za](http://www.etta.co.za)

**Cost:** The total cost of the NQF5 Internship for the period of 2 years is R 22000 including all the study material, excluding travelling costs outreaches, camps and other extra costs and the final exam (EISA which is estimated R 1000). Students must have their own accommodation and transport during the year program.

Jan: R 1000 registration fee (Payment before we start) + R 21000 or 22 payments of R 954 = **R 22 000**
